# STATEMENT OF COMPLIANCE WITH CORPORATE GOVERNANCE PRINCIPLES

The corporate governance activities were initiated at Vestel Beyaz Eşya Sanayi ve Ticaret AŞ, which takes utmost care to comply with the "Corporate Governance Principles" of the Capital Markets Board ("CMB") in 2005. Within the scope of these efforts, in the first stage, a series of amendments were made in the Company's Articles of Association in order to offer an equitable, accountable, responsible and transparent structure to shareholders. These amendments served to grant the rights to minority shareholders, which are envisaged in the Corporate Governance Principles while important changes were made to the management structure in pursuit of "better governance". The Corporate Governance practices were continued with the establishment of corporate governance mechanisms within the Company. While the Board of Directors was vested with greater objectivity with the addition of independent members, committees were set up under the Board with the aim of further enhancing the effectiveness of corporate governance.

Vestel Beyaz Eşya Sanayi ve Ticaret AŞ carries out its activities in compliance with the applicable legislation and the Capital Markets Board's "Corporate Governance Principles". The Company fully complies with all the compulsory principles in the Corporate Governance Principles appended to the CMB's Communiqué on Corporate Governance (II-17.1), and has also adopted the majority of the noncompulsory principles. No conflict of interest has been noted between the stakeholders in relation to the principles that have not yet been fully complied with.

Aware of the positive contributions that adoption of the Corporate Governance Principles brings to the Company, Vestel Beyaz Eşya Sanayi ve Ticaret AŞ continues its efforts to further improve its compliance with the Corporate Governance Principles and to comply with the non-mandatory principles that are not yet implemented.

For the reporting period which ended on 31 December 2022, the compliance with the Corporate Governance Principles that are appended to the Corporate Governance Communiqué and the explanations with regard to the principles that have not yet been complied with are included in the Corporate Governance Compliance Report, the Corporate Governance Information Form and in other relevant sections of the annual report.

In case of any amendments to the Corporate Governance Compliance Report or the Corporate Governance Information Form during the reporting period, a material event disclosure is made and the amendments are also included in the interim activity reports.
